# There's no place like home.

Boral ProStone® veneer is a manufactured stone veneer that gives you the durable beauty and authentic look of natural stone at affordable prices. ProStone® veneer's natural textures and colors enhance any building inside and out. And the appeal of ProStone® veneer comes without compromise: it meets the most stringent code requirements and is backed by a 50-year limited warranty.

ProStone® veneer is molded from real stone so the texture is detailed, varied and remarkably lifelike. From rugged Fieldstone to sleek Easy Fit Savannah Ledge, ProStone® veneer offers a sophisticated look you can feel good about from every angle.

"With ProStone® veneer's natural textures and variety of colors it was an obvious choice for us. The quality and aesthetic appearance was outstanding. As a matter of fact, it was so successful our client asked us to specify ProStone® on additional projects."
